DeckSTAR

merbau decking™

NEW PRODUCT!

PRE-OILED, SET LENGTH, LONG LENGTH MERBAU DECKING

The ultimate solution for Merbau decking - And Merbau screening
Why is DeckSTAR® the ultimate decking solution?

DeckSTAR® is pre-finished with a unique teak oil coating, and is engineered to be long and straight. Pre-oiled, set length, engineered Merbau decking will save you time and money on your next project.

DeckSTAR® has removed the preparation and the wastage on a usual decking project.

DeckSTAR®: Ask for it by name / There is simply no substitute!
